Coronavirus (COVID -19) company policy

Policy brief & purpose

This company policy includes the measures we are actively taking to mitigate the spread of coronavirus. You are kindly requested to follow all these rules diligently, to sustain a healthy and safe workplace in this unique environment. It's important that we all respond responsibly and transparently to these health precautions; we assure you that we will always treat your private health and personal data with high confidentiality and sensitivity.

This coronavirus (COVID-19) company policy is susceptible to changes with the introduction of additional governmental guidelines. If so, we will update you as soon as possible by email.

Scope

This coronavirus policy applies to all of our employees who physically work at Adrenaline Paintball.

Policy elements

Here, we outline the required actions employees should take to protect themselves and their co-workers from a potential coronavirus infection.

Sick leave arrangements:

- If you have cold symptoms, such as cough/sneezing/fever, or feel poorly, please do not come to work.
- High risk staff will not be scheduled to work.
- Any employee with symptoms related to cold, flu or COVID-19 will be sent home.
- If you have a positive COVID-19 diagnosis, you can return to work *after* you've fully recovered, with a doctor's note confirming your recovery.

General hygiene rules:

- Wash your hands after using the toilet, before eating, and if you cough/sneeze into your hands (follow the [20-second hand-washing rule](#)). You can also use the sanitizers you'll find around the park.
- Cough/sneeze into your sleeve, preferably into your elbow. If you use a tissue, discard it properly and clean/sanitize your hands immediately.
- Avoid touching your face, particularly eyes, nose, and mouth with your hands to prevent from getting infected.
- If you find yourself coughing/sneezing on a regular basis, avoid close physical contact with your coworkers and take extra precautionary measures.
